The artificial ice fund for the arena is off to a great start with the presentation of a cheque for $6,500 from Skate-a-thon. Treasurer Erling Winquist hands the cheque over to Dave Stewart, chairman of the artificial ice committee as President Tom White looks on.

Kinsmen "rainmakers" turn to "icemakers"

The Kinsmen Club of St. Albert has announced that it will undertake to provide artificial ice for the St. Albert arena.

The decision to undertake the project was reached on Monday, May 4, six years to the day from the club's charter night. Members voted unanimously to take on the job of installing the artificial ice in the new arena — the most ambitious project undertaken to date by the club.

Kinsmen have already begun looking into all aspects of the undertaking including the cost, financing arrangements, participation of the town and other St. Albert organizations, and the starting date for the project.

Proceeds from Skate-a-thon, in the amount of $6,500 have already been turned over to Dave Stewart, chairman of the artificial ice committee. Funds raised through future money-makers, including "Rodeo 109," will go towards the project.

Kinsmen have always been knows as "doers," and in taking on this project, they will need the enthusiastic support of every resident of St. Albert.

Lions to back band

The St. Albert Lions Club has voted to direct all proceeds from a raffle presently being conducted for a boat, motor and trailer, toward the formation of a community band.

This announcement was made yesterday by John Kaminski, representing the Lions Club, and co-ordinator of the community band project.

Mr. Kaminski says that the club has agreed to back the project 100 per cent.

Work is presently underway to enlist the co-operation of a number of community organizations and agencies in undertaking the formation of the band. Announcement of final plans for the band will have to wait until these various organizations have given approval to participation in the project, Mr. Kaminski stated.

The Lions Club draw for the boat and trailer will take place May 30.

St. Albert chamber meeting

Development of the Sturgeon River and its potential in relation to proposed parkland and resort areas, will be the subject for discussion at the May meeting of the St. Albert Chamber of Commerce. The meeting will be held at the Club Mocombo, next Tuesday, May 12, commencing at 6:30 p.m. Dinner will be served at 7.

Barring unforeseen circumstances, Deputy Minister of Agriculture Dr. E. E. Ballantyne and representatives of his department will be on hand to give chamber members the government's views on water diversion projects presently under consideration for the area.

The local chamber has expressed keen interest in the feasibility of such projects and it is expected that there will be a good turnout for the meeting.

"St. Albert sings" Friday

The hundred-odd voices who will be presenting "St. Albert Sings" at Father Jan School this Friday, May 8, at 8 p.m., are busily putting the finishing touches on their songs. A fine variety of musical entertainment is in store for all who attend — from madrigals to male choruses, from Beethoven to Copland, from show tunes to the contemporary folk sound.

St. Albert Singers, sponsors of "St. Albert Sings," have invited two groups of the youth of St. Albert to join them in their annual spring program. The Glee Club from grades 5 and 6 of Father Jan School, under the direction of Mrs. Bertha Kennedy, will inject an Irish note into the proceedings with "The Kerry Dance," and selections from Finian's Rainbow. Their second group will include songs from the Medical Mission Sisters which have gained widespread popularity since their release in 1966.

Those who have heard the enthusiastic voices of Sing-out Edmonton, are looking forward to the debut of our own Sing-Out St. Albert. This group of 40 teens, directed by Bill Chiles, will present several selections, including the popular "Up With People" the by-word of sing-out groups.

Too much negative talk regarding our youth and its activities is heard these days. St. Albert has an opportunity to support its young people on Friday night at 8 p.m. in the Father Jan School as they engage in something wholesome, positive, and enjoyable -- making music.

Tickets will be available at the door, and a special family rate of $2.50 should enable whole families to enjoy a pleasant evening together.

University site announced

(but we don't know where it is at press time)

At press time today, word had been received by the Gazette that the Hon. Robert Clark, minister of education, would announce the site of the new university at a gathering of interested St. Albert citizens in the town hall, at 2 p.m. this afternoon.

Plans called for those in attendance to be taken on a tour of the university site by Mr. Clark and Keith Everitt, MLA.

Full details of the site, projected dates for commencement of building and official opening of the university, will be carried in next week's issue of The Gazette.

Family campers set for summer

Despite chilly weather Friday and Saturday, St. Albert citizens were obviously looking ahead to warmer days when they came out to examine the latest in camping equipment at St. Albert 69ers Family Camping display at Grandin Shoppers Park.

Seventeen models of campers and trailers as well as a variety of stoves, barbeques and other camping equipment were on display. Mrs. Del Brige, secretary of the newly formed group said that the organization was extremely pleased with the co-operation of manufacturers in showing their products, especially since the display followed so closely after the various boat and sports shows.

A good range of tourist information booklets and maps was available free of charge to vacation-planners.

Winner of the draw for the collapsible picnic table was Roy Hart of 20 Birch Drive, St. Albert.

Mrs. Brige reports that there were seven original members of the Family Camping Club with 15 new applications for membership coming out of the weekend display. The club has been organized through the town's recreation department.

Three outings are planned for this summer. The first will be to Ma-Me-O Beach in June. The second trip is planned for Long Lake in July at the time of the Fishing Derby. This trip will be in conjunction with the Coachman Trailer Club of Edmonton.

A final outing is scheduled for Red Lodge near the end of the summer.

The club is designed for families who enjoy camping - whether they prefer to tent or use trailers or campers. Comradeship on camping outings, exchange of information about camping facilities and a sharing of experiences are all aims of the group.

Membership applications are available from Mrs. Brige, phone 599-8290.

CAC seeks local members

Local members of the Consumers Association of Canada, who belong to the Edmonton branch, are exploring possibilities of increasing membership locally. The feeling of present members is that meeting initially in small groups, such as coffee parties, would allow interested consumers to voice opinions and learn about the work of the association.

There are presently about 20 St. Albert residents who participate in the programs of the Edmonton branch of the CAC.

Mrs. R. A. Russell, of St. Albert, corresponding secretary of the provincial body, reports that there are approximately 2,000 members of the CAC in Alberta and close to 1,000 of these belong to the Edmonton branch. This branch includes St. Albert and Sherwood Park

The CAC offers Canadians a voice in consumer matters by presenting consumers views to federal, provincial and local governments. Since 1961, CAC has presented effective briefs and letters to governments on such subjects as consumer credit, taxation, sugar prices, pesticides, drug prices, meat inspection, butter prices, vacuum packaging, drug safety, automotive equipment and many others.

The association also works for better products, better packaging and honest advertising by passing on to manufacturers, consumers' opinions of goods and services.

The yearly fee of $3 entitles members to receive copies of the magazine Canadian Consumer, published six times a year, which contains results of product examination, buying guides and purchasing tips.

For $7, members receive, in addition to Canadian Consumer, the monthly magazine, Consumer Reports, publication of the US Consumers Union.

Mrs. Russell points out that there are no Canadian testing labs maintained by the government as it is felt this would interfere with free enterprise.

"By increasing membership, we have more funds available to allow us to have products tested by US labs," said Mrs. Russell. "Among products recently tested are flashlight batteries, home permanents, latex paint and AM-FM clock radios." Results of such testing are available to members through consumer reports.

The CAC also encourages consumers to lodge complaints -- in the proper manner -- when complaints are due.

Instructions on how to effectively complain about products which have not proven acceptable and problem report forms for use in advising local branches of consumer complaints regarding specific articles, are available to all consumers through the CAC. Address of the Edmonton office of the CAC is Box 5112, Edmonton.

The CAC distributes the "econo-meter," a device for figuring out the exact cost per unit of various products. This has proven to be a boon to busy shoppers who must make daily decisions between brand A at 16 ounces for 59¢ and brand B at 22 ounces for 99¢. A quick flick of the dial on the econometer lets the consumer know immediately which is the better buy. The device sells for 50 cents and may be obtained through the Edmonton office.

St. Albert residents who wish to learn more about the work of the CAC are asked to contact Mrs. Russell at 599-8274.

Recently elected executive members of the St. Albert Kinsmen Club for 1970-71 are: front row (left to right) Lorne Parry, treasurer; Bruce Daley, president; Tom White, past president. Back row, (left to right) Dave Stewart, director; Rusty Pollard, registrar; Derek Lucas, director; Erling Winquist, secretary; Barry Welsh, director. Local Kinsmen face a busy year ahead with the announcement that the club has undertaken to provide artificial ice for the St. Albert arena.

Local lions at training convention

Four local Lions and their wives attended the District 37B and 37F combined training conference of Lions International held at Red Deer May 2 and 3.

They were Bill Webber and his wife Joan, Rod Throndson and Betty, John and Lucy Huberdeau and Jack Garrett.

At the conference President Rock Holman of the St. Albert Supper Club was elected zone chairman.

A highlight of the conference was the announcement by Virgil P. Moshansky of his decision to enter the race for the position of third vice-president of Lions International. His election to this position would automatically lead to the presidency of the largest service organization in the free world by 1974-75 and would bring a great deal of honor to Alberta.

MRS. SYLVIA WALSH

Leaves of Yesteryear

It has been brought to the attention of the Gazette that the name of Mrs. Sylvia Walsh of St. Albert (formerly Sylvia Kuzyk of Bon Accord) was inadvertently overlooked in an article dealing with the book, "Leaves of Yesteryear." (April 22 issue). Due to a previous professional engagement, Mrs. Walsh was unable to be present at the "coming out tea" for the book.

Mrs. Walsh did much of the initial work of compiling and editing material for the book and her contribution is particularly acknowledged by the people of Bon Accord.

The preface to the book mentions the co-operation of the many members of the community, past and present, who contributed to the book, and acknowledges in particular the work of Mrs. Walsh.

MARCEL LAMBERT WITH MACKENZIE SCHOOL STUDENTS
. . .(left to right) John Mackenzie, Darryl Cathcart, Hope Biggs, and Gail Cairns.

Lambert addresses students

Students at two St. Albert schools had an opportunity to question Hon. Marcel Lambert, Conservative MP for Edmonton West, Friday. Mr. Lambert spoke to social science classes at Sir Alexander Mackenzie in the morning and to students at Sir George Simpson Junior High in the afternoon.

Before accepting questions from students, Mr. Lambert explained features of the federal government system as used in Canada, as opposed to unitary states with no provincial legislatures, such as in Great Britain, France, Belgium and Holland.

In outlining the areas of authority of the various levels of government, he pointed out that the federal government has got into the education field "with both feet," with no-strings-attached grants to universities and the building of technical schools. The federal government has changed the whole pattern and system of high school education across the country, he said.

Many federal-provincial undertakings, such as the health scheme, are equivalent to a father giving a son $5 and insisting he spend it as he's told to by his father, he pointed out.

He explained that the cabinet is merely a committee of advisors to the queen, or her representative, the governor-general, and that no law is enacted without the consent of the queen. The governor-general is "not just a kindly old man opening teas and attending country fairs," but a very busy gentleman who must sign every bill and order-in-council.

The senate is important and could be a lot more important, he said. "I am not one that says the senate should be abolished. They are not just a bunch of crotchety old men walking with canes, but have a useful purpose to perform."

Seating plans of the House of Commons were distributed so that students could see the makeup of the House, the location of the galleries and seats for representatives of the various parties.

He outlined protocol in the House, explaining that, if a member should lose his temper when speaking or when being heckled, he would be laughed out of the House.

In accepting questions from grade 9 classes at Sir Alexander Mackenzie, Mr. Lambert stated that he wouldn't discuss personalities.

Asked whether or not politicians should be required to reveal where they obtain campaign funds, he replied:

"No. You don't have to discuss how you are going to vote. I don't want to know where contributions to my campaign come from. In any case, election expenses of all parties in this province are dirt cheap compared with many provinces."

Asked if a person can only get elected if rich, he replied emphatically that he had never personally put a cent into an election campaign, other than to pay his own personal living expenses.

He stated, in reply to a question as to why so many lawyers are in politics, that it has generally been considered that law is the best training for politics, adding that there are only a half dozen lawyers out of 19 members from Alberta. The number is declining, he added, with some parties attracting large numbers of teachers into politics.

Questioned regarding Mr. Stanfield's suitability as a leader, Mr. Lambert replied that one doesn't "have to be a soap salesman to be a good man." At this point he declined to go further into the area of personalities.

On the subject of regulations regarding attendance, he explained that each member of parliament was allowed 21 days unexcused absence for government business or illness out of the nine or 10 months that parliament is in session. This doesn't mean you can go "Bogging off" for holidays, he said.

Questions came thick and fast and Mr. Lambert was finally forced to call a halt in order to give the remainder of the social science classes a chance to question him.

The proceedings at Sir Alexander Mackenzie School were recorded through means of closed-circuit television.

Letter To Editor

The Editor:

Thanks to the council and parks and recreation department for keeping the family fair fee schedule. BUT:

Again the council and parks and recreation department of our town is trying to put a grown ups head on childrens shoulders.

Most of these children just wear their swimming suits to the pool - no pockets - just a small piece of very vulnerable, easily lost, easily soaked with water -- piece of paper -- wrapped in a towel goes with them.

Now adult administration wants to charge them $1-$2-$3 penalty for the loss of same.

After three years of difficulty with this program could not council and the parks department have come up with a better solution than this???

How about steel numbered or named pins to pin to their suits. They could get wet - not so easily lost - but worth this type of penalty fee if they should be lost.

These could be used by others than the owners say administration.

Any child that wishes to use this method of getting into the pool does that now.

If every set of parents that purchase a season's ticket this year -- write the mayor - the parks and recreation department - and a letter to the editor with their views and ideas of this problem, maybe we can figure out a more acceptable method of entrance.

Thanking you in advance for the great job done at Grosvenor Park Pool and hope we may resolve this problem.

All owners and residents are asked to participate in the "Beautify Morinville" campaign and to exercise their creative imaginations. Citizens are requested to decorate their homes and businesses, not for honors and awards, but rather for respect for their town and to show their pride in it.

So clean up and decorate and prove to our visitors that we have a town worthy of them, our citizens and their organizations.

Villeneuve post office closes

The post office at Villeneuve closed April 30, after 29 years in operation. C. J. Klak, storekeeper in Villeneuve, has been the postmaster.

New postal address for residents of the area will be R. R. 1, St. Albert.

The move is in line with the postal department's economy drive in which post offices are being phased out in areas which are served by existing rural routes.

Residents will now pick up their mail from group boxes, located in the same area as the former post office. Stamps will be available from the rural route courier and arrangements can also be made with him to pick up money orders.

Edmonton publisher Mel Hurtig will be the guest speaker at the nominating convention of the St. Albert Liberal Association Thursday, May 7 at 8 p.m. at the Club Mocombo.

Mr. Hurtig, who is a policy chairman for the federal Liberal party, will talk on the "Future of Canada."

Public speaking finals

A centennial public speaking contest, sponsored by the Alberta Teachers Association, will be held at Leo Nickerson School, Monday, May 11 at 1:15 p.m.

Representatives of grades 5 and 6 from Vital Grandin, Sir Alexander Mackenzie, Simpson Junior High, Father Jan and Leo Nickerson schools will participate. They are recent winners of public speaking contests held in the individual schools. This is a final contest to determine the top public speaker for grades 5 and 6 in St. Albert.

Due to lack of seating facilities, the contest will not be open to the public. Each school will allow a limited number of students to accompany contestants, however, to provide a "cheering section" and encourage keener competition.

Father Jan news

Final competition for grade 5 and 6 oratory competitions for all students in St. Albert schools will be held at Leo Nickerson School on Monday, May 11 at 1:15. Janice Kremer who earlier won in this division will represent Father Jan School. If she is unable to compete, runner-up Wendy Gibeau will take her place.

Winners in the grade 1 and 2 category and grade 3 and 4 category held at Father Jan on April 22 were: grade 1 and 2 - Suzanne Deschenes, first, and Gordon McRae, runner-up; grade 3 and 4 - Renu Sharma, first and Kenneth Soetaert, second.

Many thanks to the judges of the event - Mrs. Borgstede, Mrs. Venne, and Father Bokenfohr.

The grade 6 crafts class at Father Jan has taken on ambitious projects - building go-carts and water-bicycles. With the Sturgeon on one side and the seven hills on the other, they should be able to make good use of both types of projects--that is, if they successfully complete the units.

Hockey year-end meeting

All coaches or managers are asked to bring the hockey equipment allotted to them at the first of the season to the Clubhouse, Sunday, May 10 at 7 p.m.

Erling Winquist will also hold an end of the year meeting and a full attendance would be most appreciated.

Playschool completes successful year

The children of the St. Albert Co-operative Playschool enjoyed a fun day at Storyland Valley Zoo, April 29.

May 8, 1970, will mark completion of the first season of the playschool. It operates under a system similar to the Edmonton City Parks and Recreation Playschools, with a city-trained and approved leader. The varied curriculum includes rhythm band introduction, painting, crafts, songs, and learning games, with field trips of interest taken monthly, for example, to the firehall, library, planetarium and museum. Parties on highlight dates rounded out the year's activities.

The total cost for the term (Oct. 1 until May 1, three mornings per week) including group picture and all field trip costs (transportation and lunches included) did not exceed a monthly rate of $6 per child. The low cost is the result of involvement by every mother, and the child's transportation being privately arranged.

The mothers' group believes this program to be a practical and economical method of providing preschool training.

For information phone 599-6940, 599-7886, 599-6165, 599-8415.

District 6 design contest

Students of St. Albert Protestant School District No. 6 are being invited to participate in a contest to design a letterhead for use in the district's new bulletin. They have until June 1 to dream up a design representative of St. Albert. Students will be allowed to submit as many black and white drawings as they wish, as entries in the contest. Prizes of $5, $3, and $2 are being offered for the winning entries.

First in a series of what it is hoped will be weekly bulletins, was published April 26. The project, conceived by Superintendent of Schools, Elmer Gish, is designed to provide necessary communication for schools and let teachers and the public know about the work that is being done throughout the school district.

Material for each bulletin is being collected by Dave Thomas, supervisor of guidance for the district. Future bulletins will contain reports of activities at the various schools, announcements of coming events and articles of interest to teaching and non-teaching staff, students, board members and parents.

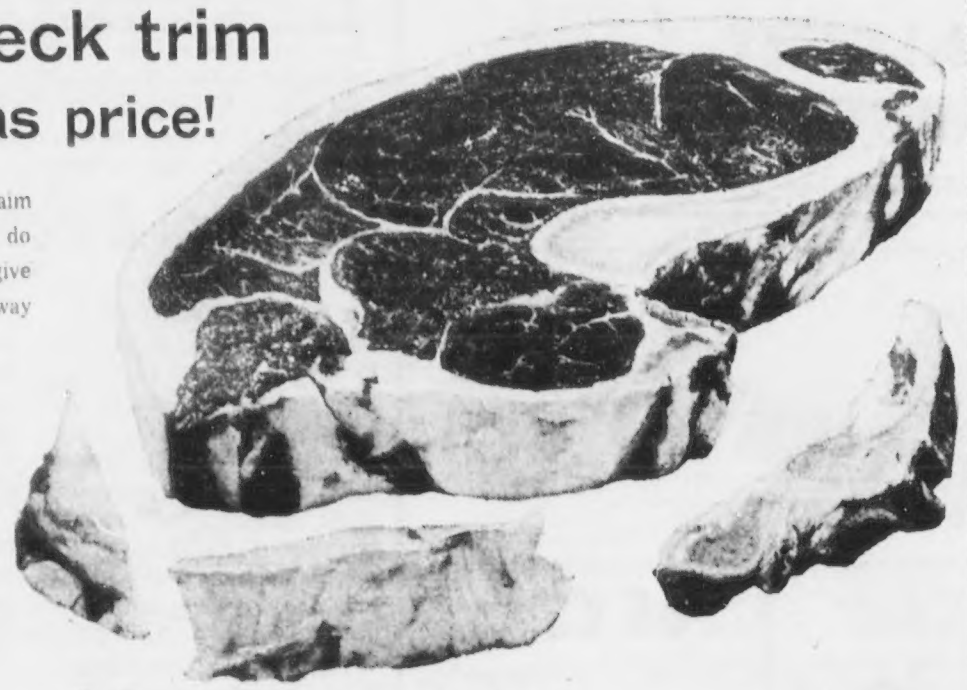
Many markets that claim to trim their meats do only a token job. To give you full value, Safeway trim steak like this:



CHECK THE TRIM

Note how we remove the heavy tail portion from the steak. It's not really broiling meat. It should be cooked by another method. (And should not be sold at steak price). Off, too, come excess bone gristle and fat. All this trimming is done before the meat goes on the scale.

Bernard-Montpetit wedding

Legal's St. Emile's Church was the scene of a lovely spring wedding when Vivian Montpetit, daughter of Mr. and Mrs. Paul Montpetit exchanged marriage vows with Robert Bernard, son of Mr. and Mrs. Henry Bernard from Vimy.

The triple-ring ceremony was performed by Father Kevin Lynch of Edmonton before an altar banked with baskets of spring flowers.

Organist was Nicole Cyr and the soloists were Les Marines.

Given away in marriage by her father the lovely bride was radiant in her exquisite peau de soie gown with a rolled collar and long lily point sleeves. The empire waist was fitted with a large bow and extended into a long lace train. Her veil was held by a band of pearls and crystal drops. She carried a bouquet of pink roses and ivy.

Bridesmaids, Irene Montpetit, sister of the bride, Adele Krauskopf, friend, and Barbara James, niece of the bride, wore identical mauve peau d'elegance floor length gowns with lace bodice and sleeves. They carried cascades of pink carnations, small pink and white carnations adorned their modern hairdos.

Best men were Doug Kroetsch, friend of the groom, Gary Gardner, cousin of the groom and Greg Kantor, nephew of the groom.

For her daughter's wedding Mrs. Montpetit chose a fortrel crepe two-piece dress and coat in mustard yellow complimented by a corsage of tropicana roses with matching brown accessories.

For her son's wedding Mrs. Bernard wore a creme and gold fortrel dress and coat ensemble with gold accessories and pink roses encorsage.

Following the ceremony a banquet and reception was held at the Club Mocombo for some 475 people. Master of ceremonies was Norman Montpetit, brother of the bride, and Grant Nichols proposed the toast to the bride.

For her honeymoon to the States the bride donned a light apple green two piece dress and belted coat complimented by a tropicana rose corsage.

The happy couple will reside in Edmonton.

"Pardon me, sir," said the waiter as he picked up the check and money, "but this doesn't include anything for the waiter."

"I didn't eat one, did I?" said the professor, glancing up from his book.

In recognition of Long Service, engraved plaques have been presented to Shell Agent in Alberta. Among those honored was Ed Savoie of Villeneuve, who accepts his 35-year award from C. J. Steiner and R. E. McKee representing Shell Canada Limited.

Grandin guide and brownie banquet

Mothers and daughters shared the head table Tuesday at the Grandin district guides and brownies fourth annual banquet at Club Mocombo. Approximately 250 were in attendance to enjoy a turkey dinner.

Highlight of the evening was the presentation of a silver spoon to Mrs. Diane Sandomirsky in recognition of her service to guiding in St. Albert. The presentation was made by Mrs. June Parry, secretary, local association, Girl Guides of Canada.

Mrs. Sandomirsky is leaving guiding at the local level to serve as provincial training commissioner for the Province of Alberta. She was at one time leader of the Sixth St. Albert Brownie pack then district commissioner, and, up until her appointment to the provincial executive, division commissioner for St. Albert.

Head table guests were Miss Dorothy Humbert, fourth guide company; Miss Andrea Stefiuk; Mrs. W. Stefiuk, district commissioner, Mackenzie; Miss Gail York; Mrs. Leta York, deputy district commissioner, Grandin; Miss Heather York; Mrs J. Brunner, district commissioner, Grandin; Miss Denise Brunner; Mrs. M. Brostrom, division commissioner, St. Albert; Miss Yvonne Brostrom; Miss Pauline Vaugeois, district commissioner, Sturgeon; Miss Kathy Parry, Mrs. June Parry and Miss Toni-Lynn Parry.

MRS. DIANE SANDOMIRSKY HONORED

Chairman for the evening was Mrs. J. Brunner and the following proposed toasts Rhonda Goodman to the Queen; Penny Webber to the mothers; Mrs. H. Briege to the daughters and Gail Underwood to the guiders.

Mrs. Marion Brostrom brought greetings from the division.

The Grandin District of the St. Albert Division of the Girl Guides of Canada was formed in 1966 and it is one of the three districts which go to make up the division. The Mackenzie and Sturgeon districts will also be celebrating the year's activities at banquets within the near future. It is now 14 years since the first guide company and brownie pack were formed in St. Albert and 60 years since the guiding movement began in Canada.

Following the program, guides, brownies and mothers joined in a rollicking sing-song.

RECREATION Hi-Lites

TENNIS

As noted separately in this issue there was an unusually large response to the tennis lessons being sponsored by the St. Albert Tennis Club. The times when the club has the use of the courts and the instructional classes are being held are posted on the notice board at the courts. As part of their physical education programs the schools are also making irregular use of the courts during the day. Anyone wishing to play during school hours would be wise to phone the department of recreation first to avoid disappointment

KEEP YOUR COOL

When your car loses its cool, you're heading for trouble — and it may be expensive. Avoid trouble by making sure your car's fanbelt, radiator and hoses are in good condition, and that coolant is always at the proper level.

"Billy, get your little brother's hat out of that mud puddle."

"I can't Ma, he's got it strapped too tight under his chin."

A chronic complainer was driving a waiter mad with her unreasonable demands. "Why is it," she barked, "that I never get what I ask for here?"

"Perhaps, madam," replied the waiter, "it is because we are too polite."

RECREATION hi-lites

SWIMMING POOL

The pool will open on Saturday, May 16. The schedule from that date till the end of May will be published next week.

Applications for season tickets are available at the town hall. Residents are reminded that May 15 is the deadline for the receipt of applications for family season tickets being paid for by special arrangement through the water and sewer billing. To ensure receipt of tickets for the opening of the pool all applications must be received at the town hall not later than 5 p.m. on May 8. For further information phone the department of recreation at 599-6601.

GYMNASTICS

Mrs. Elkins' gymnastic class for pre-schoolers is full and no more registrations will be accepted.

GIRLS' SOFTBALL

The girls' softball program sponsored by the Hercules Sports Association got underway last week and is proving very popular. So popular that more coaches and umpires are urgently required. Phone the department of recreation if you are interested in volunteering your services for one or two hours each week.
